

HEAVY GRIT HAS NO CHANCE

NCS-720-S & NH-78
Non-Metallic Chains with
Added **GritShield™** Protection

Polychem's proven NCS-720-S and NH-78 non-metallic chains with added GritShield protection combat grit, reducing barrel wear and extending chain and sprocket life.

- Hardened stainless-steel sleeve contiguously wraps around each individual barrel
- Band rotates on barrel as it articulates the sprocket, removing grit, sand, and other coarse materials from the sprocket tooth
- Resists abrasion and corrosion
- Compatible with standard Polychem Cast Nylon Sprockets
