

# STOPS ACID IN ITS TRACKS

NCS-720-S Series  
Non-Metallic Collector Chain  
with H<sub>2</sub>S Protection

Polychem's NCS-720-S series collector chain with added H<sub>2</sub>S protection is chain's strongest defense against sulfuric acid.

- 100% non-acetal chain
- Prevents clip erosion from sulfuric acid
- Clip made from acid-resistant material
- Specifically designed for covered primary clarifier tanks
